

PAYING THROUGH NINEONE'S ONLINE PARENT PAYMENT SYSTEM

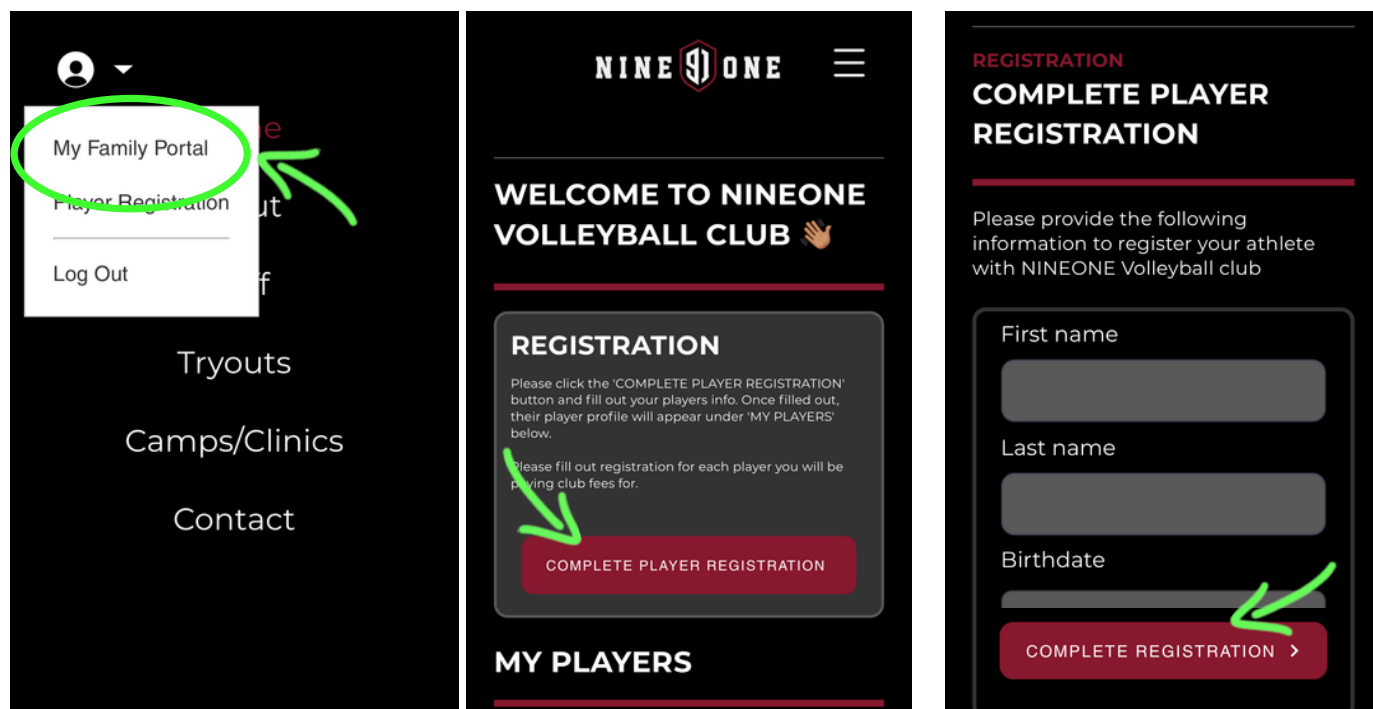

4 EASY STEPS:

STEP 1

From the homepage, click the menu icon, and then the profile icon (on computer the profile icon will already be displayed on the homepage). Once you click the the profile icon, you will be taken to sign up. You may have to verify your email, once signed up. You're ready for step 2

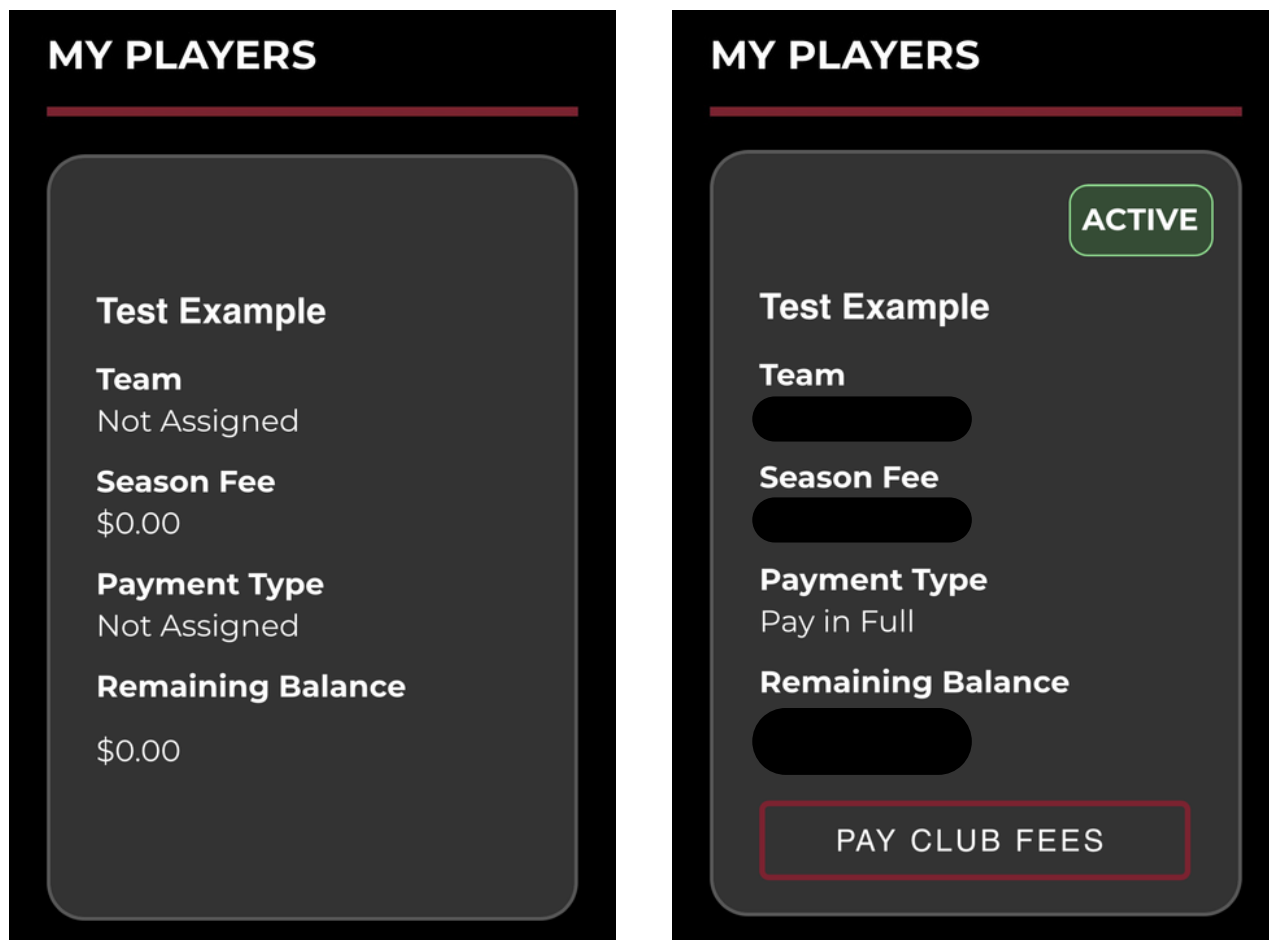

STEP 2

Once logged in, click the profile icon and go to 'My Family Portal.' Here is your dashboard. Click 'COMPLETE PLAYER REGISTRATION' - you will be taken to a form to fill out, fill out your child's info and click 'COMPLETE REGISTRATION'

Please complete a registration for each player you will be paying club fees for.

STEP 3

Now you wait! You will see that your players profile has been added to the system, but admin needs to assign your player a team.

Once assigned a team, you will see an active banner displayed on the profile (like the image on the right), with the appropriate billing info and payment link

STEP 4

The image displays three sequential mobile app screens for a payment process.

Screen 1: MY PLAYERS
This screen shows a player profile for 'Test Example'. It includes fields for 'Team', 'Season Fee', 'Payment Type' (set to 'Pay in Full'), and 'Remaining Balance'. A green arrow points to a red-outlined button labeled 'PAY CLUB FEES'. A green 'ACTIVE' badge is in the top right corner.

Screen 2: Customer details
This screen contains a form for customer information:

- First name *: Test
- Last name *: Example
- Phone *: 6237594804

A black 'Continue' button is at the bottom.

Screen 3: Payment
This screen shows payment options:

- Payment method: Radio buttons for 'Apple Pay' (selected) and 'Card'.
- Card details: A field for 'Card number' with the placeholder 'Enter number'.
- Summary: 'Subtotal' and 'Total' are shown with black input fields.
- Action: A blue 'Pay Now' button at the bottom.

When the pay button is active, click it! You will be taken to a payment page that reflects the appropriate payment. Enter your details, choose your payment method, and then click 'Pay Now'.

DONE!

Please note that the 'remaining balance' section on your profile may not update immediately, so don't be alarmed if it doesn't update straight away.
